Dear Miss Jones

Your idea it's fantastic, I'm sure that my classmates also are agree with this activity.

In my opinion, I would like that come to the talk a scientist because it's more intersting for us and we also could know more vocabulary about science in English.

On the other hand, I will ask about the enviorament change and it's perjudicial causes in the world.

Furthermore, in order to entretain the scientist we can to do a picnic in the playground and a competition of science board games, this day would be great.

Talk to you soon.
